

OCCUPANT REMOVAL FORM

Member(s) name _____
Address _____

Occupant(s) _____

At the time I/we purchased the unit, the above-referenced person(s) was listed on the Application for Membership as a dependent/occupant (Member of Interest) to reside in the unit. I/we would like to remove this person(s) as a dependent/occupant.

I/we understand that this person(s) no longer has the right to call in work orders and, if I/we would like this person(s) to reside in the unit in the future, the Permitted Occupant Form procedure would have to be followed and approved by the Board of Directors.
